### Addition to price options

№	Description of services	License	Price, \$
1	Additional login for Anti-Plagiarism (Standard)	1 login / year	<b>20</b>
2		1 login / 3 years	<b>50</b>
3		1 login / 5 years	<b>75</b>
4	Change or restore the current login	-	<b>20</b>
5	Change current login status	-	<b>20</b>

Used two types of logins:

“Admin” - login allows you to enter and see all the documents that are entered into the system “Anti-Plagiarism” in this University;

“User” - login allows you to enter and see the documents only to that user.

When ordering logins must specify their type. If not specified the login type is assumed to be the login type “User”.
